

Dr. Marcia Reynolds, MCC

Dr. Marcia Reynolds, MCC helps global organizations grow their leadership using coaching for accelerated results. She is considered an expert on the brain and emotional intelligence. Her clients include executives and emerging leaders in multinational corporations, non-profit organizations and government agencies. She also speaks at coaching and leadership conferences around the world and has presented in 34 countries, including Turkey!

Marcia is also a true pioneer in the coaching profession. She was 5th global president of the International Coach Federation and one of the first 25 people in the world to become a Master Certified Coach (MCC). She teaches others the art of coaching as the Training Director for the Healthcare Coaching Institute and she is the president-elect for the Association for Coach Training Organizations. Her doctorate is in organizational psychology and she holds two masters degrees in communication and adult learning.
