ICF Malaysia presents the

INTERNATIONAL COACHING SUMMIT

Engage | Empower | Thrive

What to expect?

- Get inspired from the key-note speakers. Dedicated international professionals!
- Benefit from hearing real-life stories from a panel of speakers, top leaders in their industries in Malaysia. Learn their techniques to create resilience and self-mastery, while performing under pressure.
- Enhance your future success with greater knowledge, skills and new mindsets in our breakout sessions throughout the day. These will be in a workshop format, to capitalize on full engagement from you, for true learning and transformation.

There will be two streams in the breakout sessions:

- 1) Geared towards corporates – focusing on the challenges in the ever-changing corporate environment. You will learn effective ways to unleash potential for sustainable performance.
- 2) Geared towards coaches – focusing on the challenges coaches face. Learn new skills and approaches on how to leverage the power of coaching and enable your clients to perform at their full potential.

There will be plenty of resources and information shared not only during the presentations but also via booths in the exhibit area. This is also a valuable networking opportunity to deepen personal and professional relationships. The Conference includes lunch, tea breaks and an evening reception.

Pricing

- ICF Member Price: Early bird (August 8th) RM650 – After August 8th RM790
- Non-ICF Member Price: Early bird (August 8th) RM790 – After August 8th RM990
